#### NINTH ORDER OF BUSINESS Staff Reports

#### A. Landscape Maintenance Team - Report

Mr. Sanders gave an overview of the March landscape maintenance report.

#### **B.** District Counsel

Mr. Eckert stated we did discover that we got our interlocal agreement and maintenance agreement recorded for the water meter. We were waiting for the county to provide us with the documents, but they recorded them anyway, which is great and I provided that to staff.

#### C. District Engineer

Mr. Yuro stated I did see the sketch from Zach on the sidewalk by the school crossing and it makes sense to me. Did you want to do something closer to the cul-de-sac where the kids are walking across creating a dirt path? If you want to move forward with something, we will need an exhibit and get approval from the county.

Mr. Harrah stated bring a rendering and the cost to us in April so we can have a discussion.

#### D. District Manager

Mr. Laughlin stated I have reached out to multiple developers about impact fees in the area and asked them to contact me. As far as the D.R. Horton sale, Cheryl Fulks, our assessment administrator, has been in contact with D.R. Horton. Right now, the sale needs to be approved by the board of commissioners and that is on their April agenda. Once we get the authority for that we will finalize the agreement and they will transfer the money into an escrow account.

We have two seats that will be up for election this November, seat 4 Supervisor Clarke and seat 2 Supervisor Hall. We can send an eblast out about the qualifying period in June.

#### E. General Manager - Report

## TENTH ORDER OF BUSINESS Supervisor's Requests and Audience Comments

Mr. Pollicino stated I will not be at the next meeting.

Ms. Estes stated I printed out the layout of the district owned property and expressed her desire to protect District property.

Mr. Eckert stated the other thing we talked about was whether we could work with the county to give the county a conservation easement over some land so there would be someone else a person desiring to access over District land would have to deal with if they were going to claim that they needed access over the District's land for something.

#### **ELEVENTH ORDER OF BUSINESS Discussion of Security Matters**

#### Good Afternoon Sher

Please find attached the application for a Pool request which I will be looking to contract work with Innovative Pools, Inc.

I am looking for a 5ft BRL variance approval to be able to have a Pool installed as our lot is smaller than most. We are excited that our new pool company can make this work for us if the variance is considered and approved.

I have also gone ahead and received approval from the St. Johns River Water Management District for the variance request per attached letter. We had sent them over the attached survey with Pool rendering on it.

I have been a resident of the Durbin Crossing North Neighborhood since Dec 2022 and am very happy with our home, neighbors, and community. This pool request will allow my family and our neighbors to enjoy our backyard and home. It will beautify our property and add tremendous value to our neighborhood.

Please find attached the following:

- 1. ARB Application for Pool
- 2. Receipt of ARB Payment
- 3. St. Johns River Water Mgmnt District 5ft BRL Approval Letter
- 4. Pool Design w measurements and Survey with Pool Overlay and measurements which was also sent to St. Johns River Mgmnt District for review
- 5. 3d Rendering of Pool

If you have any questions or concerns please feel free to contact me.

Thank you for your time and help.

1367 Fryston Street Rear Lot Pool

Permit Determination Number 90834-82

(Please reference the Permit Determination number on all correspondence)

Dear Mr. Hershner:

On March 7, 2024, the St. Johns River Water Management District received your letter and plans, requesting a permit determination. The project involves the construction of a rear lot pool and wooden bulkhead adjacent to the existing stormwater pond. The District has no objection to the bulkhead encroaching a maximum 5 feet into the 10-foot drainage easement as shown on the submitted plans.

Based on the information provided, this project does not exceed any permitting thresholds pursuant to Chapter 62-330.020, Florida Administrative Code (F.A.C.). Therefore, a District permit is not required. Please be aware that this determination only applies to the District and does not relieve you from the permitting requirements of other agencies or your homeowner's association.

Thank you for your cooperation with the permitting and compliance process. If you have any questions, please contact me at (904) 448-7937 or by email at jkpartlow@sjrwmd.com.

#### **MOVIES IN THE WORKS**

When the warm weather arrives, we can't wait to plan our pool movies and movies in the park! It is a staple of our summers, and we get excited to provide these great family friendly outdoor activities. Our first in 2024 will be on Saturday, May 4<sup>th</sup> on the South field lawn. And if you say it out loud you can guess what the theme is...May The Fourth Be With You! We are long over due to bring back Star Wars to Durbin Crossing. This year, we added a little twist. With there being so many fan bases with so many different movies, we are asking the residents to cast their vote from the top 5 best-selling Star Wars movies. They can simply click on the BOX Office link provided in the Thursday Blast or go directly to the website to cast their vote. The majority wins, but we all win because the residents choose! We will provide freshly popped popcorn, Star Wars themed fun give aways, and maybe even a surprise guest appearance from one of our favorite characters.

All the Barbie girls, living in the Barbie world... we invite you to partake in an evening of pink! We will have music, swimming, and a special showing of the Barbie movie on the South Durbin Pool Deck. But there is some fun instore for everyone, not just the girls. The whole family is invited to join in, as there will be a little bit of something for everyone: snacks, dancing, swimming, photobooth, and more.

Outdoor movies begin at dusk, or until it is dark enough to see the movie screen. The only thing left to do is hope for beautiful weather. We can't wait to share these wonderful evenings with our residents. We will see you at the MOVIES!

#### **EARTH DAY 2024 GIVEAWAY**

Our second annual Earth Day at Durbin Crossing will be on Monday, April 22<sup>nd</sup>. Let's bloom even bigger! We have invited our residents to stop by the South Amenity Center between Noon and 6pm for a complimentary gift bag containing potting soil, seed packets, and a peat pot...while supplies last. Going by how popular this was with the residents last year, we planned accordingly and hope to have plenty for everyone. Our beautiful community deserves our love and attention, as well as our planet!

#### **BABYSITTING COURSE**

We currently have 13 residents enrolled in the class as we prepare our reports. We have had a great partnership with Safety First for many years and this course continues to be a valuable resource to our young people in the community.

In preparation for summer vacation, we are hosting a Babysitting Safety Course in partnership with Safety First CPR and Safety Training with an official certification from the American safety and Health Institute. In consideration of the school closure, the course will be held on Friday, April 19<sup>th</sup> from 12-2pm, in the South Social Hall.

#### **MOTHER'S DAY VIP POOL DAY**

What would the world be without the unconditional love of our Moms? They have our backs like no one else, so this year we want to have theirs! We plan to give our Durbin Moms a day of relaxation Saturday May 11<sup>th</sup>, the day before Mother's Day. Dads and kids, you can have them on Mother's Day, but we want them for just a

little bit on Saturday to show our appreciation as well. The freshly landscaped and furnished North Pool will be reserved for moms only between 1pm and 4pm. We will close the North pool temporarily in order to give them the royal treatment. We will have hosts and hostesses escort them to their poolside lounge chairs where they will find a fresh comfy towel, neck pillow, and a basket of mom favorites just for them. While enjoying their quiet surroundings, or uninterrupted conversations with their neighbors, if they choose, we will spoil them with refreshing drinks, a small fruit kabab, and a chocolate surprise. It's a Mother's Day weekend, not just a day. We hope that they will enjoy a little "Me" time on us before the big day on Sunday. There is no charge to the residents, but to provide the best day for our Moms, we will ask that they sign up in advance with our Box office.

#### **DOLPHINS SWIM TEAM**

The spring swim practice schedule at the South Pool is about to begin. We have informed the residents in last month's Newsletter and email blasts that practices begin on April 29<sup>th</sup> and will end on May 23<sup>rd</sup>. They will be using the pool from 4:30pm-8:30pm on Mondays and Thursdays, and on Saturdays from 7am-10:45am. One lap lane will remain open for lap swimming residents. The North pool will be open in plenty of time and allow us to close the South pool, on Mondays, as per the regular schedule. New Swimmer evaluations will be held on Monday April 22<sup>nd</sup> after school. We will begin posting the summer schedule as it nears. We wish all our new swimmers the best of luck and know they will continue the Durbin tradition of excellence. GO DOLPHINS!

#### **CHAMPION SWIM**

We are off to a good start for swim lesson registrations. We have added May classes to this year's schedule, and they have been filling up nicely with only a few openings left. Classes are offered in May on Tuesdays and Thursdays, from 3pm to 7pm at the South Pool. Champion Swim will be conducting swim lessons for our residents only from May 1<sup>st</sup> through September 30<sup>th</sup>. We are excited to see our little swimmers back in the water, gaining the confidence they need for many safe and happy summers ahead!

#### **BLOOD DRIVE**

The Big Red Bus is back for our quarterly Community Blood Drive on May 9<sup>th</sup>, from 9am to 12pm at the South Amenity Center. Oneblood has been partnering with Durbin Crossing for many years and we are grateful to them and our caring residents that turn out to donate and save lives. We will have a full report and success of the drive in May's CDD Report.

#### **EVENTS IN THE MAKING**

We are filling our summer calendar up fast and are looking forward to a great summer and a lot of fun with our residents. We are putting plans into action with Scavenger Hunts, Back to School Bash, Father's Day, Ice Cream Social on the last Day of School, Field Games, small summer STEAM camps, live music, and more. Don't forget us about our latest resident bonding day, *Our residents are all that and a bag of Chips!* 

With Both pools complete and the Baby pool too, we have a lot to cheer about this summer.
