FIRST ORDER OF BUSINESS

Pledge of Allegiance

Mr. Laughlin called the meeting to order at 6:01 p.m. and led the pledge of allegiance.

SECOND ORDER OF BUSINESS

Roll Call

Mr. Laughlin called the roll.

THIRD ORDER OF BUSINESS

Audience Comments

A resident stated my children play tennis, a friend of ours is a tennis professional and he has been coaching them on weekday mornings. I'm on the court for every session. Earlier this month my coach received a message from the owner of the current tennis provider, 904 Tennis, that it is his property, he trespasses people there and Durbin Crossing is one of 12 communities where his company has exclusive contracts and tells my coach, do not coach there. His agreement is not exclusive, but this shows what happens when the rule is not clear.

Mr. Eckert stated I only saw parts of the messages from 904 Tennis, that should have gone to Zach and Zach should have dealt with that, I don't think that was appropriate language to be using in interfacing with a resident, I think it should have gone to Zach and I think Zach would have done a much better job of explaining what the actual facts are.

Mr. Davidson stated I emailed Scott Miller, owner of 904 Tennis twice with no response. I followed up with Ross Ruben, our recreational person to let him know I'm having issues in not being able to contact Scott Miller. This incident was brought to my attention on a Saturday, I received emails from Mr. Arthur and an email from Scott Miller.

Mr. Harrah stated if we want to terminate 904 Tennis what is the course of action?

Mr. Eckert stated we have to pull the appropriate agreement with the termination provision, almost everything we do has a short term termination provision. That is one of the things. I want the resident to hear that I don't think the board feels like the tennis interaction with the resident was appropriate and that is something Zach is addressing.

This is not a proper appeal under our rules. Under our rules somebody has to fill out an application, which is the actual person providing the service, not the resident, the person coaching has to provide an application and then if it is denied at the staff level they can appeal it to the board. I have not seen our application be filled out yet. We are in public comment period not a formal appeal proceeding. I want to make sure the board understands that. I have been around for a long time in terms of when we go back and forth on these policies and why we have the policies that we have. Generally, in the past the board has not wanted to approve individualized instructions simply because you could have 50 people out there that are teaching on the pickleball courts. It is a huge community, we built the amenities they are primarily for recreation by the general residents, not necessarily for individualized instruction by whoever wants to bring in their private people to have individualized instructions. That is historically how the board has looked at the amenities. When we do have programs such as swim team or tennis or whatever, they are required to have an

insurance policy, indemnification requirements, background checks, and they are usually things that are open to a lot of people in the community, not just one person. The board has not gone down that road yet. Insurance, indemnification and background checks can be handled by agreement regardless of who it is. Finally, the two other issues that can become a problem when you start allowing a lot of for-profit use, is (1) if you start allowing a lot of for-profit use you can lose your exemption from real estate taxes. Right now you don't pay real estate taxes on this building, the pool or tennis courts; the more you allow private companies to come in and profit off using public facilities the more likely it is you can lose that tax exemption. The other thing is in your bond covenants; this has to be used for public purposes not for private purposes. It is a policy decision; it is not a legal decision but if you go too far there are some legal ramifications that the board has to consider.

Mr. Laughlin stated the policy says the tennis courts are for recreational use and personal trainers and coaches are not allowed.

After discussion between the board and staff, the board chose to not change the policies and will take up the issue with 904 Tennis under the attorney's report.

FOURTH ORDER OF BUSINESS

Review of Action Items

Mr. Laughlin reviewed the action items list, copy of which was included in the agenda package.

FIFTH ORDER OF BUSINESS

Approval of Consent Agenda

- A. Minutes of the August 24, 2026 Meeting**
- B. Financial Statements**
- C. Assessment Receipt Schedule**
- D. Check Register**

On MOTION by Mr. Harrah seconded by Ms. Estes with all in favor the consent agenda items were approved.

SIXTH ORDER OF BUSINESS

Consideration of Proposals for Updating the Capital Reserve Study

Mr. Laughlin stated this item was tabled at the last meeting and representatives of both firms are on the phone and joining us today is Howard McGaffney from FCS Management Group to answer any questions on his proposal.

Mr. McGaffney outlined his proposal for infrastructure reinvestment planning and after discussion and input from the Reserve Advisors and Capitol Reserve Advisor, the board took the following action.

On MOTION by Mr. Harrah seconded by Ms. Berden with all in favor the proposal from FCS Management Group for infrastructure reinvestment planning in the amount of \$6,000 with a target date of a draft report in November was approved.

SEVENTH ORDER OF BUSINESS

Consideration of Request to Hold Tutoring Classes at the Amenity Center

Ms. Dorfman presented her request to hold tutoring classes at the amenity center after school hours.

No action was taken on this item.

EIGHTH ORDER OF BUSINESS

Staff Reports

A. Landscape Maintenance Team - Report

Mr. Craig gave an overview of the Yellowstone Landscape update for September, copy of which was included in the agenda package.

B. District Counsel

Mr. Eckert stated Zach sent me the 904 Tennis Agreement and you have four options, you can do nothing and it runs out February 1st by its own term. You can give them 30-day termination without cause, which means you terminate you don't have to give a reason and they can't really challenge that and say you didn't have a good enough reason to terminate. You can terminate it immediately for cause, but I caution against going that route because you have to look at the contract terms to determine "have they violated the actual contract terms versus just not acted the way they should have." I caution against doing an immediate termination. The other option is the tennis program ends November 19th and the board could move to terminate their contract effective

November 20th. Those are the four options you have as a board. This was not on the agenda so you would have to take audience comment before you vote on anything in relation to this.

Mr. Harrah moved to authorize staff to terminate 904 Tennis Agreement effective November 20, 2026 with the understanding the board reserves the right to terminate immediately for cause and their instructors are not to have communication with residents and question if they are being coached and they can come to the next board meeting to appeal. Ms. Hall seconded the motion.

A resident stated that was not my objective. I wanted my coach paid or unpaid to be with my kids. I don't object to other coaches being here, I just don't want to get harassing messages from them. I want to be left alone with my kids and having them coached by who I choose to coach them not 904 Tennis.

On voice vote with all in favor the motion passed.

C. District Engineer

There being none, the next item followed.

Mr. Yuro left the telephone conference at this time.

D. District Manager

There being none, the next item followed.

E. General Manager - Report

Mr. Davidson presented the following proposals.

Tennis Court Lights/Pole replacements

On MOTION by Mr. Harrah seconded by Ms. Estes with all in favor the proposals from American Electrical Lamp Sales and the supplier for tennis light pole replacement in an amount not to exceed \$120,000 was approved with the work to begin in January.

Mr. Davidson reviewed the balance of the general manager's report, copy of which was included in the agenda package.

F. Amenity Manager - Report

Mr. Morrow gave an overview of his report then presented the following proposals:

Pickleball Guest and Age Policy

On MOTION by Mr. Pollicino seconded by Mr. Harrah with all in favor the guest policy for tennis/pickleball and basketball was lowered from 5 per household to 3 per household and staff was authorized to install signage along with guest sign-in.

Age Policy

On MOTION by Ms. Berden seconded by Mr. Harrah with all in favor the policy for tennis/pickleball courts was changed to 12 years and older without adult supervision to match basketball policy.

Ms. Hall moved to change pool age to 12 years and older without adult supervision and there being no seconded, the motion died for lack of a second.

Mr. Morrow stated one resident wants to start a sewing club and a resident wants to start a mahjong club.

It was the consensus of the board that staff can approve the sewing club and mahjong club.

G. Lifestyle Manager – Report

Mr. Davidson reviewed the lifestyle management report, copy of which was included in the agenda package.

NINTH ORDER OF BUSINESS

Supervisor's Requests and Audience Comments

A resident stated while finalizing who the tennis vendor will be do not penalize the families for coaching and having a guest coach, if you can direct staff not to. I received a letter from staff saying if your guest coaches your kids you will lose your privileges.

Mr. Laughlin stated that matter is settled, there is no coaching. That was the outcome of the conversation.

A resident stated there is no coaching now because we don't know what the outcome will be with 904 Tennis.

Mr. Laughlin stated there is no change to the policy, that is what the board discussed.

Mr. Pollicino stated nothing changed.

Ms. Walton stated people parking when you first come in at the stop sign, there was a truck parked there and it was a hazardous situation. It has gotten better.

I want to be clear as far as pickleball. When I play pickleball someone might have guests and that person might leave but I went up to the guests that continued to play with me. Do I have to go back and check in?

Mr. Laughlin stated we are going to finalize the wristband procedure and will have a policy next month. We have to talk through it and see what our options are.

A resident stated do you have a public private partnership for stop stations for the Sheriff's officers?

Mr. Eckert stated we have done that in other communities before.

Mr. Laughlin stated that he would contact the Sheriff's office.

TENTH ORDER OF BUSINESS

Review of Action Items

The Board, in its sole discretion and upon motion of any Board member, may vote to rescind a termination of Amenity access.

- (5) **Administrative Reimbursement.** The Board may in its discretion require payment of an administrative reimbursement of up to Five Hundred Dollars (\$500) in order to offset the

legal and/or administrative expenses incurred by the District as a result of a Violation (“Administrative Reimbursement”). Such Administrative Reimbursement shall be in addition to any suspension or termination of Amenity Facilities or District Property access, any applicable legal action warranted by the circumstances, and/or any Property Damage Reimbursement (defined below).

- (6) **Property Damage Reimbursement.** If damage to District Property occurred in connection with a Violation, the person or persons who caused the damage, or the person whose Guest caused the damage, or the person who has charge of a minor that caused the damage, shall reimburse the District for the costs of cleaning, repairing, and/or replacing the property (“Property Damage Reimbursement”). - (8) **Initial Suspension from Amenity Facilities and District Property.** The District Manager, General Manager, Amenity Manager or his or her designee may at any time restrict or suspend for cause or causes, including but not limited to a Violation, any person’s access to the Amenity Facilities and District Property until a date not later than the next regularly scheduled meeting date of the Board that is scheduled to occur at least twenty-one (21) days after the date of initial suspension. In the event of such a suspension, the District Manager or his or her designee shall mail a letter to the person suspended referencing the conduct at issue, the sections of the District’s rules and policies violated, the time, date, and location of the next regular Board meeting where the person’s suspension will be presented to the Board, and a statement that the person has a right to appear before the Board and offer testimony and evidence why the suspension should be lifted. If the person is a minor, the letter shall be sent to the adults at the address within the community where the minor resides.
- (9) **Hearing by the Board; Administrative Reimbursement; Property Damage Reimbursement.**
 - a. At the Board meeting referenced in the letter sent under Section 8 above, or as soon thereafter as a Board meeting is held if the meeting referenced in the letter is canceled, a hearing shall be held at which both District staff and the person subject to the suspension shall be given the opportunity to appear, present testimony and evidence, cross examine witnesses present, and make arguments. The Board may also ask questions of District staff, the person subject to the suspension, and witnesses present. All persons are entitled to be represented by a licensed Florida attorney at such hearing.
 - b. After the presentations by District staff and the person subject to the suspension, the Board shall consider the facts and circumstances and determine whether to lift or extend the suspension or impose a termination. In determining the length of any suspension, or a termination, the Board shall consider the nature of the conduct, the

circumstances of the conduct, the number of rules or policies violated, the person's escalation or de-escalation of the situation, and any prior Violations and/or suspensions

c. The Board shall also determine whether an Administrative Reimbursement is warranted and, if so, set the amount of such Administrative Reimbursement.

If the cost to clean, repair and/or replace the property is not yet available, the Property Damage Reimbursement shall be fixed at the next regularly scheduled Board meeting after the cost to clean, repair, and/or replace the property is known.

e. After the conclusion of the hearing, the District Manager shall mail a letter to the person suspended identifying the Board's determination at such hearing.

- (10) **Suspension by the Board.** The Board on its own initiative acting at a noticed public meeting may elect to consider a suspension of a person's access for committing any of the Violations outlined in Section 4. In such circumstance, a letter shall be sent to the person suspended which contains all the information required by Section 8, and the hearing shall be conducted in accordance with Section 9.
- (11) **Automatic Extension of Suspension for Non-Payment.** Unless there is an affirmative vote of the Board otherwise, no suspension or termination will be lifted or expire until all Administrative Reimbursements and Property Damage Reimbursements have been paid to the District. If an Administrative Reimbursement or Property Damage Reimbursement is not paid by its due date, the District reserves the right to request surrender of, or deactivate, all Facility Access Cards associated with an address within the District until such time as the outstanding amounts are paid.
- (12) **Appeal of Board Suspension.** After the hearing held by the Board required by Section 9, a person subject to a suspension or termination may appeal the suspension or termination, or the assessment or amount of an Administrative Reimbursement or Property Damage Reimbursement, to the Board by filing a written request for an appeal ("Appeal Request"). The filing of an Appeal Request shall not result in the stay of the suspension or termination. The Appeal Request shall be filed within thirty (30) calendar days after mailing of the notice of the Board's determination as required by Section 9(e), above. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file an Appeal Request shall constitute a waiver of all rights to protest the District's suspension or termination, and shall constitute a failure to exhaust administrative remedies. The District shall consider the appeal at a Board meeting and shall provide reasonable notice to the person of the Board meeting where the appeal will be considered. At the appeal stage, no new evidence shall be offered or considered. Instead, the appeal is an opportunity for the person subject to the suspension or termination to argue, based on the evidence elicited at the hearing, why the suspension or termination should be reduced or vacated. The Board may take any action deemed by it in its sole discretion to be appropriate under the circumstances, including affirming, overturning, or otherwise modifying the suspension or termination. The Board's decision on appeal shall be final.
- (13) **Legal Action; Criminal Prosecution; Trespass.** If any person is found to have committed a Violation, such person may additionally be subject to arrest for trespassing or other applicable legal action, civil or criminal in nature. If a person subject to a suspension or termination is found at the Amenity Facilities, such Person will be subject to arrest for trespassing. If a

trespass warrant is issued to a person by a law enforcement agency, the District has no obligation to seek a withdrawal or termination of the trespass warrant even though the issuance of the trespass warrant may effectively prevent a person from using the District's Amenity Facilities after expiration of a suspension imposed by the District.

- (14) **Sexual Offenders.** Any individual registered as a "Sexual Offender" as defined in Section 943.0435, Florida Statutes or as a "Sexual Predator" as defined in Section 775.21, Florida Statutes, shall not be permitted to access the Durbin Crossing Amenities, as defined herein. DURBIN CROSSING
Amenity Manager's Report

Offseason Staff Meeting/No Board Action Required: We held a staff meeting for our office team on October 1st. The main purpose of this meeting was to go over policy enforcement. We also discussed our plan for maintaining the facilities' cleanliness during the offseason as well as office operation reminders.

South Gym Deep Cleaning Closure/No Board Action Required: The most recent Gym Deep Clean took place on Friday, October 2nd. We will continue doing this on the first Friday of every month, with the next one scheduled for November 6th, 2026.

Pool Hours/No Board Action Required: Both pools will close at dusk until April.

Pickleball Guest Policy Enforcement/No Board Action Required: With the recent change to the tennis court and pickleball court guest policy, we have been discussing ways to enforce this policy. Below are some suggestions:

Scanning In: All residents must scan in using an access card designated for their household.

Wrist Bands: All guests must be signed in by an adult resident at the front office and receive a Durbin Crossing guest bracelet. The bracelet must be put on in front of a staff member and worn during the entire time they are on the courts.

Signage: Below is a draft of the sign being posted on the tennis court entrance gates.

Gate Speaker: We are working with Dynamic Security, who installed our cameras and intercoms, to explore the cost of adding an intercom speaker at the South tennis court gate entrance. If possible, this will allow us to stop guests who have not been signed in as they enter the court facilities.

North: The North courts will be more of a challenge to enforce the guest policy because it is not consistently staffed during the court's busy hours. The same sign will be posted on the front of the North tennis court gate as will be at South. We will leave a sign in sheet outside the North office window for residents to sign in their guests.

North Staffing Option: If the proposed changes result in increased guest usage at the North facility, additional staffing may need to be considered during peak pickleball hours to support access control and guest management. One option would be to staff the North office from 6:00 p.m. to 9:00 p.m. daily, at an estimated annual cost of approximately \$18,500.

New Chaise Pool Lounge Estimates/Board Action Required: Below are the estimates for the replacement of the 133 pool deck lounges. This includes North and South.

<u>Vendors</u>	<u>Total Cost</u>	<u>Warranty</u>
Southern Breeze Outdoor Furnishings	\$47,823.15	• 10-year frame • 3-year powdercoat • 2-year vinyl strap (breakage)

SURVEY UPDATE

We have updated the survey per board request. I have changed the verbiage of the \$10 for specialty events question. We are not able to condense multiple choice answers into a dropdown, as it will then lose the multiple-choice function.

Link can be found here: <https://www.surveymonkey.com/r/HP2FWKP>

SQUARE UPDATE

As per new law, we will be required to provide a card/digital payment option for residents. After doing some research, Square can only impose a service or card fee on credit cards, not debit cards. If a resident pays via debit card, we will have to take on the fees ourselves regardless. Does the Board wish to raise fees on keycards and gym passes, or take on the fees of the payments?
